MY PLEDGE

I will never bring a gun to school;

I will never use a gun to settle a dispute;

I will use my influence with my friends to keep them from using guns
to settle disputes.

My individual choices and actions when multiplied by those of young people
throughout this country, will make the world a safer place.

Together, by honoring this pledge, I and other young people of society can
reverse the gun violence, and make the world a safer place.
