MY PLEDGE

I will never bring a gun or any other weapon to school;

I will never use a gun or weapon to settle a dispute;

I will use my influence with my friends to keep them from using guns, weapons or violence to settle disputes.

I will cooperate if necessary with the authorities if I am a witness to any crime involving gun violence.

My individual choices and actions when multiplied by those of young people throughout this country and territory, will make the world a safer place.

Together, by honoring this pledge, I and other young people of society can reverse the violence, and make the world and the territory a safer place.
